

# MARCH

## NUKO March 2021 Newsletter

March already!? How did that happen? The school year seems to be flying by! Summer is fast approaching, which means hopefully better weather is coming soon!

A few things to note: Purdy's orders are due by March 3. Due to the centre being closed, Sam has graciously offered to pick up any orders that still need to be submitted. You can reach her at 250-202-6421 or via email at [samanthahayes756@gmail.com](mailto:samanthahayes756@gmail.com) to make arrangements for a contactless pick up.

There are some IEP's that were scheduled for the first week of March. Again, due to the centre being closed, Sam will be doing virtual meetings with Alison and Ken. No classroom teachers will be attending. Sam is quite familiar with the students IEP's and their goals, so she will be able to navigate quite well. Alison should be in touch with those parents who had planned on attending. Please keep an eye on your email for a link to a virtual meeting. If you would prefer to call and listen in on the meeting via speaker phone, please email Sam at [manager@nuko.ca](mailto:manager@nuko.ca) with a phone number that works best.

A reminder to please check your emails regularly, as a lot of the communications from NUKO is sent digitally. If you are unsure if NUKO has your correct email on file or if you do not have access to an email, please feel free to email Sam and let her know.

Due to the recent closure we are doing our best to extend the opportunity to our families of having your children attend over the Spring break period where we would normally be closed. The dates we are looking at are the weeks of March 15-19 and March 22-26. Not all of our staff are available to work over the break so our first priority will be going to families who are working outside of the home and do not have childcare. Sam has sent out a form earlier today. Please fill it in and send it back as soon as possible. We will also have paper copies that will go home on March 4 when we return. Thank you for your understanding and patience during a tough time.

Due to the current circumstances with COVID exposures etc, please remember that anyone picking up or dropping off students must wear a mask. We have also implemented masks to be worn by our older students all day to help reduce transmissions. Students are offered new masks daily that are disposed of upon leaving the center. Please do not send masks from home.

### Important dates:

*March 2- Kerri Isham*

### Weather:

Now that it is beginning to get nicer outside, classes will be spending more time outdoors and going on walks and/or to the park. Please ensure your child is dressed appropriately for the weather and is coming to school prepared for those days when we do go outside.

March Birthdays!  
March 4- Anthony
